

FLEXPPOWER FRESH

A new unique food foil recipe

- ✓ High adhesion
- ✓ Impermeability of odor
- ✓ Easy tearing of foil

Production:

- ✓ 300 and 450 mm in 8 my

Usage:

- ✓ meat and cheese product, vegetables, fruits, pastries
- ✓ Also suitable for freezing and microwave heating

Thanks to the new formula that made it possible to make the film in a lower thickness
We will achieve less consumption when packaging and thus save both costs and the environment

100% recycling
